CONDITION OF SALES

Wholesale Only

We urge all buyers to inspect plants before they buy as we sell only on the following conditions:

We make no express or implied warranty of any kind except that plants are true to variety. When plants leave our possession we have no way of knowing whether they receive proper care so we do not guarantee they will live, pass inspection or be merchantable.

All claims must be made immediately upon receipt of plants by the quickest method and full details must be given. In no case will our liability exceed the purchase price.

DISCOUNTS: 5% for cash for orders over \$50.00. No further discount will be allowed.

TERMS: Cash with order.

C.O.D. orders will be considered only when a deposit of 25% is sent with order.

SHIPPING: Please state whether you want shipment by Express, Motor Freight, or Railway Freight. Parcel Post shipments will be made only if the amount of postage is included in order.

SIZES OF ORDER. Due to the present cost of packing we will not be able to accept any orders for shipment for less than \$10.00.

(All Prices F.O.B. Our Nursery)

WHOLESALE ONLY

You Save on Truck Load Orders

No packing charge.

Cheaper transportation rates.

Fast Service — overnight delivery at 400 miles distance.

Stock arrives at destination in excellent condition.

As a rule we can arrange transportation for you through local, reliable truckers at the following rates:

2-ton truck hauling 5 tons — 27¢ per mile one way

10-wheeler truck hauling 10 tons — 32¢ per mile one way.

Tandem axle van hauling 15 tons — 40¢ per mile one way.

You can readily see the advantage of the Tandem axle van as the cost per plant is cheapest, and generally speaking nursery stock moved in these closed vans arrives at the destination in excellent shape.

To aid you in figuring out a truck load order the following weights are listed below:

Gallon Can Stock	8 lbs. each
2 Gallon Can Stock	14 lbs. each
3 Gallon Can Stock	35 lbs. each
5 Gallon Can Stock	60 lbs. each
4- 6" Lath Grown Kurume Azaleas	3 lbs. each
6- 8" Lath Grown Kurume Azaleas	5 lbs. each
8-10" Lath Grown Kurume Azaleas	7 lbs. each
10-12" Lath Grown Kurume Azaleas	10 lbs. each
12-18" Lath Grown Kurume Azaleas	15 lbs. each
10-12" Field Grown Indica Azaleas	12 lbs. each
12-18" Field Grown Indica Azaleas	20 lbs. each
18-24" Field Grown Indica Azaleas	30 lbs. each
24-30" Field Grown Indica Azaleas	35 lbs. each
2- 3' Field Grown Ornamental Magnolias	30 lbs. each
3- 4' Field Grown Ornamental Magnolias	40 lbs. each
18-24" Field Grown Sasanquas	30 lbs. each
2- 3' Field Grown Sasanquas	40 lbs. each
3- 4' Field Grown Sasanquas	60 lbs. each
18-24" General Ornamentals, Field Grown	40 lbs. each
24-30" General Ornamentals, Field Grown	50 lbs. each

These weights are approximate and will vary slightly with moisture conditions.

Lining out stock can be shipped by Railway Express or Motor Freight at feasible rates.

Canned and B&B stock should move by personal truck or chartered truck.

All prices of B&B and canned stock are based upon plants being loaded uncrated onto customer's truck at our nurseries.

Sorry, we will be unable to crate B&B Ornamentals and Camellias in 2, 3 and 5 gallon containers.

Liners are dug bareroot, packed in damp moss and delivered to carrier of your choice at no extra charge.

(All prices F.O.B. our Nursery)

WHOLESALE ONLY

For several years many items grown at our nurseries have been in short supply. We have greatly expanded our production to remedy this situation and the fruits of this effort are quite apparent in our stock this season. You will find an improved situation at Flowerwood on field grown Indica Azaleas, lath grown Kurume Azaleas, container grown Camellias and various Hollies, Pyracanthas and miscellaneous Ornamentals in containers as well as a number of field grown Ornamentals. You will find our stock of good quality and reasonably priced.

PICTURE TAGS AVAILABLE

Flowerwood Nurseries have made a supreme effort to obtain the best colored picture tags available for Camellias and Azaleas. Where suitable tags were not available for popular varieties, we have photographed the blossom and had plates made of them. Needless to say, this has been an arduous expensive task, but we are in a position to offer you the most complete selection of illustrated color picture tags of Camellias and Azaleas available anywhere.

Those of you who have used picture tags in your nurseries are fully aware of their sales value. Those of you have not used them will want to glamorize your plants with these ornate tags

If you have ever attempted to describe a bloom to a customer then you will fully appreciate a good picture tag. Flowerwood can give you some real help on this problem. You will find some of our latest additions herein.

You may order your Camellias with colored picture tags attached for 5¢ per plant extra. All Camellias are strap labeled with long lasting plastic strap labels at no extra charge.

Azaleas will be picture tagged upon request at 3¢ per plant extra. For pre-blooming season sales, you will find it profitable to use these tags. Azaleas are strap labeled at no extra charge.

CONTAINER GROWN CAMELLIAS

A nice selection of the more popular Camellias. You will find these plants ready at all times under the protective custody of Southern Pines. No frost, filtered sun, good foliage of good buds. Displayed with a colored picture tag, a real good item for Spring sales.

CAMELLIA SASANQUAS

Well Shaped, Field Grown Plants, Balled and Burlapped.

A truly magnificent broadleaf evergreen. Thrifty grower, handsome foliage and a profusion of blooms in the early fall. This plant lends itself well to either specimen or hedge planting. With so many wonderful qualities, this plant was destined for the ever increasing popularity it enjoys today.

Dwarf — Semi Dwarf — Kurume — Pericat — Macrantha — Hardy Japanese Azaleas

This group is comprised of the semi-dwarf varieties and, generally speaking, serve the same purpose in yard planting and pot plants for florists.

Many of these varieties are noted for their heavy blooming qualities, low compact growth and you will find the hardiest of the azaleas in this group.

WHOLESALE ONLY

Azaleas have proven their sales making ability during the spring blooming season. Be sure you have ample Azaleas on hand to take advantage of the blooming Azalea rush.

Azaleas must be moved before they come into bloom. Be sure to arrange for yours by January or early February for the best results. Flowerwood's years of experience and huge stock of these quality plants are available to you at all times.

Lath grown, well shaped, heavily budded, grown in heavy peat. No burlap required.

INDICA AZALEAS

(LARGE TYPE)

The Indicas are especially adapted to landscape planting. Some of the older specimens in Southern Gardens have attained a spread of 20 to 30 feet over a period of 70 to 100 years with very little care.

There is no substitute for the slow grown field plant we offer — a compact, hardy, heavily budded plant which makes a true spectacle at blooming time. We have a nice stock of these plants. Early orders will be filled from plants dug before cold weather and placed under pine trees.

Heavy, field grown, well budded stock, balled and burlapped in 10/12" size and up. 6/8" and 8/10" sizes are lath grown in beds of high peat content.

picked up at the Nursery.

WHOLESALE ONLY

AZALEA LINERS

We have had a sustained production of over two million Azalea liners per year for the last several years. During this time we have rarely had a full selection to offer as late as April 1st. For this reason, we urge you to anticipate your requirements and place your order early enough to get the variety selection you want.

With our vast production of these plants, we are in a position to furnish your needs at less cost than you will be able to grow them in small numbers.

You may need Azalea liners to refill your beds being sold out this spring. You may also want to take advantage of a time proven promotional item, namely: the packaged Azalea. There remains no question about the traffic produced by an ad featuring Azaleas wrapped 10 to a package during the blooming season. A beautiful package of Azaleas, with an attractive colored picture tag, will sell itself. Won't you give them a chance?

Available for delivery any time after April 1, 1962.

Heavy, well shaped one year transplants.

MISCELLANEOUS ORNAMENTALS

Heavy, Field Grown, Balled and Burlapped

In recent years there has been a strong trend toward container grown plants throughout the nursery industry. Even so, when you are looking for the most plant for the money in a heavy, well developed, hardy plant, we must still go to the field to get it.

For this reason you will find a continued emphasis on field culture at Flowerwood Nurseries. We are in a better position than ever to furnish quality nursery stock from our fields.

We have been fortunate enough to have new land for most of our plantings. As you know, this is a wonderful asset in the production of weed-free, healthy nursery stock. With our many years of experience, we have a product you are sure to be pleased with.
